 12:30 pm Meeting Adjourns

Target Audience: Pharmacists, physicians, nurses, and other providers seeking to apply recent research to patient care and antimicrobial stewardship.

Overall Conference Learning Objectives:

- Identify emerging antimicrobial stewardship priorities and challenges.
- Explain developments in antibiotics and diagnostics for common infectious diseases.
- Apply recent research to patient care and antimicrobial stewardship

Accreditation:

Learners can claim Continuing Education credit via activity evaluation within 30 days of the meeting. Learners are required to complete the General Evaluation and session-specific evaluations. All evaluations will close on June 30, 2025 after which MAD-ID will upload credits for pharmacy learners to CE Monitor (NABP) and issue certificates via email. Pharmacists must provide their DOB (mm/dd) and NABP EPID number in each evaluation to claim pharmacy credit. Please reach out to info@mad-id.org with any questions or specific requests.

Continuing Pharmacy Education (CPE)

Making a Difference in Infectious Diseases (MAD-ID) is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This live CE activity is approved for a maximum of 20.50 contact hours (2.05 CEUs) in states that recognize ACPE providers. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Requirements: Continuing Pharmacy Education (CPE) Credit will be awarded at the session level upon completion of online session evaluations, which must be completed within 30 days of the meeting to claim credit. CPE credits will be reported to the CPE Monitor/NABP e-Profile system online within four weeks after the MAD-ID Program Evaluation/CE Credit Claim website closes. To learn more about CPE Monitor and establish your NABP e-Profile, visit www.nabp.pharmacy. Per ACPE requirements, CPE credit must be posted within 60 days of being earned. Participants are responsible for verifying credits were transferred successfully to your NABP eProfile account before the ACPE 60-day deadline. After the 60 day deadline, MAD-ID will no longer be able to report your credit(s) for this activity. *For information or questions regarding CPE credit contact: info@mad-id.org*

Continuing Medical Education (CME) Accreditation

Making a Difference in Infectious Diseases (MAD-ID) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

This live activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME). MAD-ID designates this live activity for a maximum of 18.00 *AMA PRA Category 1 Credits*™. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Requirements: To assure compliance, we now require all physicians participating in an accredited CME activity to complete the “contact information” portion of the evaluation. CE Statements of Credit for non-pharmacists and for non-US licensed pharmacists, if requested, will be provided via email within 4 weeks of completion of the online program evaluation. *For information or questions regarding CME credit, contact info@mad-id.org*

Funding:

No external funding was received for the educational activities.
