

Guideline Updates: Community-Acquired Pneumonia and Asymptomatic Bacteriuria

Please join MAD-ID for a free 1.5-hour enduring continuing education program focusing on important aspects of recent guidelines for management asymptomatic bacteriuria and community-acquired pneumonia.

Date/Time:

Tuesday September 8, 2020 at 12:00 pm – 1:30 pm EDT

Goal:

To provide an online continuing professional educational program to educate interested healthcare providers on the latest recommended management for community-acquired pneumonia and asymptomatic bacteriuria.

Target Audience: Clinical Pharmacists, Physicians, Advanced Practice Nurses and Physician Assistants

Learning Objectives:

1. Describe the conditions and patient populations for asymptomatic bacteriuria
2. Discuss the issues and drawbacks to treating asymptomatic bacteriuria
3. List the instances where asymptomatic bacteriuria should be treated
4. Describe the overall management issues surrounding the treatment of CAP
5. Review the major changes in the CAP treatment guidelines
6. Discuss controversies that still remain to be answered regarding the treatment of CAP

Activity Type: Knowledge

Continuing Education Credit

Will be awarded to those participants passing a post-event learning assessment quiz.

MAD-ID is accredited by the Accreditation Council for Pharmacy Education as the provider of continuing pharmacy education. 1.5 CEU will be awarded. UAN 0485-0000-20-024-H01-P

This activity has been planned and implemented in accordance with the accreditation requirement and policies of the Accreditation Council for Continuing Medical Education (ACCME). MAD-ID is accredited by the ACCME to provide continuing medical education (CME) for physicians.

MAD-ID designates this “live activity” for a maximum of *1.5 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
