

Sepsis 2020

Please join MAD-ID for a free 1.5-hour enduring continuing education program focusing on important aspects of recent guidelines for management as well as sepsis from a patient perspective.

Goal:

To provide an online continuing professional educational program to educate interested healthcare providers on the latest recommended sepsis guidelines and to appreciate sepsis from a patient perspective.

Target Audience: Clinical Pharmacists, Physicians, Advanced Practice Nurses and Physician Assistants

Learning Objectives:

1. Recommend guidelines and protocols to improve diagnosis and antibiotic therapy for sepsis
2. Explain the evolving incidence and epidemiology of sepsis
3. Identify best practices for antimicrobial stewardship in sepsis
4. Explain how patient advocacy can influence clinical practice in the management of sepsis
5. Describe challenges in communication between healthcare providers and patients with sepsis and their caregivers
6. List strategies to empower patients in decision-making regarding infections and antimicrobial use

Activity Type: Knowledge

Continuing Education Credit

Will be awarded to those participants passing a post-event learning assessment quiz.

MAD-ID is accredited by the Accreditation Council for Pharmacy Education as the provider of continuing pharmacy education. 1.5 CEU will be awarded. UAN #: 0485-0000-20-23-H01-P

This activity has been planned and implemented in accordance with the accreditation requirement and policies of the Accreditation Council for Continuing Medical Education (ACCME). MAD-ID is accredited by the ACCME to provide continuing medical education (CME) for physicians.
